SECTION 4.5. At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully made to the Trustee, (1) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (2) any moneys remaining in the hands of the Trustee after providing for

the payment of the principal of and dividends on all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (3) title to all the Trust Equipment shall vest in the Company and (4) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; provided, however, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all such Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of such Trust Equipment to and the possession and use thereof by the Company.

Any moneys in the hands of the Trustee for the payment of the principal of or dividends on any Trust Certificates remaining unclaimed for six years after the date of maturity of such Trust Certificates or the date such dividends were due and payable, as the case may be, shall be repaid by the Trustee to the Company upon Request and thereafter any rights of such holders of Trust Certificates in respect of which such moneys shall have been held by the Trustee shall be enforceable only against the Company.

SECTION 4.6. The Company agrees that, at or before the delivery to the Company of each unit of the Trust Equipment, there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of such unit a metal plate bearing the following words, or such words may be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than one-half inch in height:

OWNERSHIP SUBJECT TO A SECURITY AGREEMENT FILED WITH  
THE INTERSTATE COMMERCE COMMISSION.

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment. In case, prior to the termination of the lease provided for herein of such Trust Equipment, any of such plates or marks shall at any time be removed, defaced, obliterated or destroyed, the Company shall immediately cause the same to be restored or replaced. The Company shall not change or permit to be changed the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as

herein provided) except in accordance with a statement of new numbers to be substituted therefor which shall previously have been filed with the Trustee by the Company and which shall be filed and recorded as provided in Section 6.4 hereof.

The Trust Equipment may be lettered "Seaboard System Railroad, Inc." or "SBD" or may be lettered with the name or initials of any railroad company which is permitted to use the Trust Equipment as herein provided, or in some other appropriate manner, for convenience of identification of the leasehold interest of the Company therein. During the continuance of any lease provided for herein of Trust Equipment, the Company shall not allow the name of any person, association or corporation to be placed on any of such Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, association or corporation other than the Trustee.

SECTION 4.7. The Company agrees that it will maintain and keep all the Trust Equipment in good order and proper repair at its own cost and expense, unless and until such Trust Equipment shall be withdrawn from use for substantial repairs (other than running repairs), worn out, unsuitable for use, not needed or lost or destroyed (each such occurrence being herein called a "Casualty Occurrence"). The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of any such Casualty Occurrence.

Whenever any of the Trust Equipment shall suffer a Casualty Occurrence, the Company shall deliver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the Fair Value thereof. When the aggregate Fair Value of Trust Equipment so suffering a Casualty Occurrence for which no deposit of cash equal to such Fair Value has been made exceeds \$200,000, the Company shall deposit with the Trustee an amount in cash equal to such Fair Value as of the date of such deposit. Cash deposited with the Trustee pursuant to this Section 4.7 shall be held and applied as provided hereinafter.

Any such units of the Trust Equipment for which settlement has been made by the Company pursuant to the next preceding paragraph shall, upon Request, be released by the Trustee, to or upon the order of the Company.

Any moneys paid to the Trustee pursuant to this Section 4.7 or the last paragraph of Section 3.4 hereof (all such moneys being herein called "Replacement Funds") in respect of Trust Equipment shall be received and held by the Trustee in trust hereunder for the benefit of the holders of the Trust Certificates pending delivery of additional Equipment. Upon the filing with it of a Request and an Officer's Certificate which shall specify the kind and number of units of additional Equipment to be purchased and the Cost thereof, Replacement Funds shall, upon receipt by the Trustee of documents comparable to those provided in Section 3.4 hereof, be applied to the purchase of such Equipment.

The Company agrees to furnish to the Trustee, whenever required by the Trustee, and at least once in every calendar year following the calendar year in which the first delivery of any of the Trust Equipment occurs and during the continuance of the lease contained herein, an Officer's Certificate stating (1) the amount, description and numbers of the Trust Equipment then covered hereby and showing the units of such Trust Equipment then in actual service, (2) the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence since the date of the last preceding statement, and (3) that all the Trust Equipment repainted or repaired since the date of the last preceding statement is plated or marked as required by Section 4.6 hereof. The Trustee, by its agent, shall have the right once in each calendar year, but shall be under no duty, to inspect, at the expense of the Company, the Trust Equipment, and the Company covenants in that event to furnish to the Trustee all reasonable facilities for the making of such inspection.

SECTION 4.8. The Company, so long as it is not in default under this Agreement, shall be entitled to the possession of the Trust Equipment from and after delivery thereof to the Company, and the use thereof upon the lines of railroad owned or operated by the Company (either alone or jointly with another) or by any Affiliate, or upon lines over which the Company or any Affiliate shall have trackage or other operating rights, and the Company shall also be entitled to permit the use of the Trust Equipment upon connecting and other carriers in the usual interchange of traffic and upon connecting carriers and other carriers over which through service may from time to time be afforded, but only upon and subject to all the terms and conditions of this Agreement.

The Company shall not, without first obtaining the written consent of the Trustee, assign or transfer its rights hereunder, or transfer or sublet the Trust Equipment or any part thereof, except to an Affiliate; and the Company shall not, without such written consent, except as provided in this Section 4.8, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment; provided, however, that the Company shall be entitled to sublet all or any part of the Trust Equipment, so long as it shall not be in default under the terms of this Agreement, to another Class I railroad company under a sublease which expressly provides (i) that the rights of the sublessee in and to such Trust Equipment shall be subject to the rights of the Trustee in and to such Trust Equipment, including the rights of the Trustee upon the happening of an Event of Default hereunder and (ii) that such Trust Equipment may be lettered or marked for the convenience of identification of the leasehold interest of the sublessee therein only in accordance with the provisions of Section 4.6 hereof.

An assignment or transfer to a railroad company or other purchaser which shall acquire all or substantially all the lines of railroad of the Company, and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the Company Obligations, shall not be deemed a breach of this covenant. The Trustee shall have the right to declare the lease provided for herein of the Trust Equipment to be terminated in case of any unauthorized assignment or transfer of the rights of the Company hereunder relating to such Trust Equipment or in case of an unauthorized transfer or sublease of any of such Trust Equipment. The election of the Trustee to terminate any such lease shall have the same effect as the retaking of the Trust Equipment subject thereto by the Trustee as hereinafter provided.

SECTION 4.9. The Company agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented inventions in and about such Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states in which such Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations and orders of the Department of Transportation, the Interstate Commerce Commission and of all other commissions, boards and other legislative, executive, administrative or judicial bodies or

officers having power to regulate or supervise any of such Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of any body having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances; provided, however, that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to all or any part of the Trust Equipment, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

## ARTICLE V

### Remedies in Event of Default

#### SECTION 5.1. The Company agrees that in case

(a) the Company shall default in the payment of any part of the rental (including advance rental) payable under this Agreement for more than 10 days after the same shall have become due and payable, or

(b) the Company shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or sublease of any of the Trust Equipment, or except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be cancelled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or within said 30 days to deposit with the Trustee a sum in cash equal to the then Fair Value of such Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than as herein authorized (any sum so deposited to be returned to the Company upon the cancellation of such assignment, or transfer or sublease and the recovery of possession by the Company of such Trust Equipment), or

(c) the Company shall, for more than 90 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants of this Agreement on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) the lease provided for herein of the Trust Equipment shall be terminated by operation of law, or

(e) a petition for reorganization under Title 11 of the United States Code (as now or hereafter constituted) shall be filed by or against the Company and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all of the Company Obligations shall not have been and continue to be duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or custodian or custodians appointed in such proceedings in such manner that such obligations shall have the same status as expenses of administration and obligations incurred by such trustee or trustees or custodian or custodians, within 60 days after such petition shall have been filed or otherwise in accordance with the provisions of 11 U.S.C. § 1168, or any successor provision, as the same may hereafter be amended, or

(f) any proceedings other than as are referred to in (e) above shall be commenced by or against the Company for any relief which includes, or might result in, any modification of the Company Obligations under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustment of such obligations) and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all of the Company Obligations shall not have been and continue to be duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers or custodian or custodians appointed for the Company or for the property of the Company in connection with any such proceedings or otherwise, in such manner that such obligations shall have the same status

as expenses of administration and obligations incurred by such trustee or trustees or receiver or receivers or custodian or custodians within 60 days after such proceedings shall have commenced;

then, in any such case (herein sometimes called an "Event of Default") the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration) payable by the Company as set forth in Section 4.4 hereof and not theretofore paid, whereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the dividend rate to the extent legally enforceable on any portion thereof overdue; and the Trustee shall be entitled to recover judgment for the total amount so becoming payable by the Company, together with interest thereon at the dividend rate to the extent legally enforceable, and to collect such judgment out of any property of the Company wherever situated. Any and all moneys so collected by the Trustee shall be applied by it as hereinafter in Section 5.3 hereof provided.

In addition, in case one or more Events of Default shall happen, the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any installment of rental payable pursuant to Section 4.4(B)(3) or (B)(4) hereof when and as the same shall have become due and payable hereunder and such default shall have continued for a period of 30 days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any motion or proceedings at law or in equity for the collection of the rentals so due and unpaid and the recovery of reasonable costs of collection, and may prosecute any such action or proceedings to judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out

of the property, wherever situated, of the Company or other obligor upon the Trust Certificates the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or other obligor upon the Trust Certificates under Title 11 of the United States Code or any other Federal or state law relating to bankruptcy or insolvency, or in case a receiver or receivers in equity or reorganization or a trustee or trustees or custodian or custodians in bankruptcy or reorganization shall have been appointed for the Company or for such other obligor or for its property, or in the case of any other judicial proceedings relative to the winding up or liquidation of the affairs of the Company or of such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 5.1, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of dividends accruing after the date of such declaration, if any); and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee, trustee or custodian in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Agreement.

All rights of action and rights to assert claims with respect to Trust Certificates under this Agreement or under any of the Trust Certificates, may be enforced by the

Trustee without the possession of any of the Trust Certificates or the production thereof at any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name and as trustee of an express trust for the benefit of the holders of the Trust Certificates, and any recovery of judgment shall be for the ratable benefit of such holders. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 5.2. In case of the happening of any Event of Default, the Trustee may by its agents enter upon the railroads and premises of the Company and of any Affiliate or of any sublessee or user of the Trust Equipment and take possession of all or any part of such Trust Equipment and withdraw the same from said railroads and premises, and said sublessees and users, retaining all payments which up to that time may have been made on account of rental for such Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid per diem, mileage or other charges of any kind earned by such Trust Equipment or any part thereof, and may lease such Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided for in Section 5.1 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, insofar as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of interest hereunder in the manner herein provided. Upon any such sale the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment the Company shall cease to have any rights or remedies in respect of such Trust Equipment hereunder, but all such rights or remedies shall

be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of such Trust Equipment or any of it shall, in case of the happening of any such Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to such Trust Equipment or any of it or any cause or right of action at law or in equity in respect of such Trust Equipment against the Trustee or the holders of interest hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of such Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 4.4 hereof (other than dividends or interest not then accrued), whether or not they shall have been matured. The holders of a majority in principal amount of the then outstanding Trust Certificates shall have the right from time to time to direct which of the proceedings above provided for shall be taken for the enforcement of the remedies contained herein.

SECTION 5.3. If in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 5.1 and 5.2 hereof, all payments made by the Company to the Trustee after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates or dividends) shall be applied by the Trustee to the payment in the following order of priority: (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with provisions of this Agreement, and (b) of the dividends then due, and of the principal of all the outstanding Trust Certificates whether such Trust Certificates shall have been matured by their terms or not, with interest at the applicable dividend rate or rates on overdue dividends and on principal from the last preceding dividend payment date to the extent legally enforceable, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient then pro rata without preference between principal and dividends.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 5.4. If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable, or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 5.1 hereof provided, but before the final maturity of the Trust Certificates, all arrears of rent (with interest at the applicable dividend rate or rates upon any overdue installments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates and any other rental installments which shall not at the time have matured, other than by declaration, according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or cured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then and in every such case the Trustee in its discretion may, and if so requested by the holders of a majority in principal amount of the Trust Certificates then outstanding and which shall not have matured (other than by declaration) according to their terms shall, by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 5.5. No retaking of possession of the Trust Equipment by the Trustee or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment on the part of the Trustee or on the part of the holder of any

Trust Certificate, and no delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the Company Obligations. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and dividends upon the Trust Certificates. The Trustee may at any time upon notice in writing to the Company apply to any court of competent jurisdiction for instructions as to the application and distribution of the property held by it.

SECTION 5.6. In case the Trustee shall demand possession of the Trust Equipment pursuant to the provisions hereof, and shall reasonably designate a point or points upon the lines of railroad of the Company or of any Affiliate for the delivery of such Trust Equipment to it, the Company shall at its own expense forthwith and in the usual manner cause such Trust Equipment to be moved to such point or points on such railroad as shall be designated by the Trustee and shall there deliver or cause to be delivered the same to the Trustee, or the Trustee may at its option keep such Trust Equipment on any of the lines of railroad or premises of the Company or of any Affiliate until the Trustee shall have leased, sold or otherwise disposed of the same, and for such purpose the Company agrees to furnish without charge for rent or storage the necessary facilities at any convenient point or points selected by the Trustee. It is hereby expressly agreed that the performance of this covenant is of the essence of this Agreement and that, upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 5.7. The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity; provided, however, that the rights, powers and remedies in this Agreement provided are subject to applicable provisions of any bankruptcy or insolvency laws or laws affecting enforcement of creditors' rights.

## ARTICLE VI

### Additional Covenants and Agreements by the Company

SECTION 6.1. The Company hereby agrees to make payment of the reasonable expenses and compensation of the Trustee, and of all taxes, assessments and governmental charges herein mentioned for which the Trustee, as such, may be liable and of the rentals and of the other amounts provided for herein.

SECTION 6.2. The Company covenants and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof and of this Agreement (and, if not so paid, with interest thereon at the dividend rate to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein from the date of such Trust Certificate to the maturity thereof, at the times and place and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon at the dividend rate to the extent legally enforceable); and the Company further agrees to endorse upon each of the Trust Certificates without the seal of the Company, which is hereby expressly waived, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the facsimile signature of its Chairman, President or one of its Vice Presidents or Assistant Vice Presidents. In case any officer of the Company whose facsimile signature shall appear on said guaranty shall cease to be such officer of the Company before such Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of such Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not ceased to be such officer or had been acting in such capacity on such date.

SECTION 6.3. The Company agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if

unpaid might become a lien or charge upon or against any of the Trust Equipment, except upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, unless such contest will in the judgment of the Trustee materially endanger the rights or interests of the Trustee or the holders of the Trust Certificates.

SECTION 6.4. The Company agrees to pay the expenses incident to the preparation and execution of the Trust Certificates to be issued hereunder, or connected with the preparation, execution, recording and filing hereof and of any instruments executed under the provisions hereof with respect to the Trust Equipment. The Company with all convenient speed will cause this Agreement, all supplements hereto and/or appropriate financing statements to be duly filed and recorded with the Interstate Commerce Commission in accordance with 49 U.S.C. § 11303 and in accordance with the applicable provisions of the Uniform Commercial Code of the State of Florida and in any other State of the United States of America or the District of Columbia where filing is required by applicable state or Federal law or reasonably requested by the Trustee for the purpose of proper protection, to the satisfaction of counsel for the Trustee, or its interest in the Equipment and its rights under this Agreement or for the purpose of carrying out the intention of this Agreement. The Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments required by law or reasonably requested by the Trustee for the purposes of proper protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof and thereof; and the Company will promptly furnish to the Trustee certificates or other evidences of filing and recording pursuant to the last preceding sentence, and of any other such filing, registration and recording, and an Opinion or Opinions of Counsel with respect thereto.

SECTION 6.5. The Company agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof and thereof.

SECTION 6.6. The Company agrees that it will make payment of the rentals on account of the Trust Equipment as provided in this Agreement notwithstanding that any of the Trust Certificates shall have been acquired by the Company or shall not have been presented for payment.

## ARTICLE VII

### The Trustee

SECTION 7.1. The Trustee hereby accepts the trusts imposed upon it by this Agreement and agrees to perform the same as herein expressed.

SECTION 7.2. The Trustee agrees to apply and distribute the rentals received by it under Section 4.4(B) hereof (other than sums restored to Deposited Cash pursuant to the last paragraph of Section 7.8 hereof from rentals received pursuant to Section 4.4(B)(1) hereof) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in said Section 4.4(B).

SECTION 7.3. The Trustee shall cause to be kept at the Principal Office books for the registration and transfer of the Trust Certificates; and upon presentation for such purpose the Trustee will register or cause to be registered as hereinbefore provided, under such reasonable regulations as it may prescribe, any of the Trust Certificates.

SECTION 7.4. The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liabilities and expenses. The Trustee shall not be responsible for the filing or recording or refiling or rerecording of this Agreement or any supplement hereto or thereto. In accepting delivery of and making payment for the Trust Equipment, or in accepting any cash payable hereunder in respect of such Trust Equipment, the Trustee may rely upon and shall be fully protected by the documents to be furnished to it under Section 3.4 or 4.7 hereof, as the case may be, and shall not be required to make any further investigation of or inquiry concerning the matters covered thereby.

SECTION 7.5. The Trustee shall be under no obligation to take any action for the execution or enforcement of the trust created hereunder unless requested in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates and unless indemnified to its satisfaction against expense and liability with respect thereto, and unless also furnished with proof satisfactory to it as to the ownership of the Trust Certificates in respect of which any such request may be made; but this provision, in the absence of such request, shall not affect any discretion herein given to the Trustee to determine whether it shall take action in respect of any default hereunder or what action it shall take.

SECTION 7.6. No holder of any Trust Certificate shall have any right to institute any suit, action or proceeding for the execution and enforcement of the trust created hereunder unless, after the aforesaid request in writing by the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall have been made to the Trustee, and after indemnity satisfactory to it shall have been provided, and after 90 days shall have elapsed after receipt by the Trustee of such request, it shall decline, fail or neglect to institute any proceedings pursuant thereto. Neither the provisions of this Section 7.6 nor the provisions of Section 7.5 hereof shall affect or limit in any way the obligations of the Company under its guaranty hereinabove provided or the rights of the holders of Trust Certificates to institute suit for the enforcement of payments due under said guaranty in respect of the Trust Certificates.

SECTION 7.7. The Trustee may for all purposes conclusively assume that the Company is not in default under the terms hereof until notified in writing to the contrary by the holders of at least 10% in principal amount of the then outstanding Trust Certificates, which notice shall distinctly specify the Event of Default desired to be brought to the attention of the Trustee. As to any fact or matter the manner of determining which is not specifically prescribed herein, the Trustee may for all purposes rely upon an Officer's Certificate as to such fact or matter. The Trustee shall not incur any liability to anyone in relying conclusively on, and in acting upon, any notice, consent, order, certificate, warrant, opinion or other paper or instrument believed by it to be genuine or authentic and to be signed by the proper party or parties.

SECTION 7.8. Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, without liability for interest thereon save as may be agreed upon between the Trustee and the Company.

At any time and from time to time, if at the time there shall be no default under the terms of this Agreement, the Trustee, upon Request, shall invest and reinvest Deposited Cash and Replacement Funds held by it in Investment Securities, and upon such terms, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall upon Request, or the Trustee may in the event funds are required for payment against delivery of Trust Equipment, sell the Investment Securities, or any portion thereof, and restore to the Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities.

The Trustee shall restore to the Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 4.4(B)(1)(b) hereof, an amount equal to any expenses incurred in connection with any purchase or sale of Investment Securities and also an amount equal to any loss of principal incident to the sale or redemption of such Investment Securities for a sum less than the amount paid therefor, including accrued interest. The Company, if not in default under the terms of this Agreement, shall be entitled to receive any profit which may be realized from any sale or redemption of Investment Securities.

SECTION 7.9. The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the seller or manufacturer thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation in respect of the value thereof or in respect of the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorneys, agents and servants as it shall appoint, and shall be entitled to rely upon the

advice of counsel (who may be counsel to the Company), and shall be answerable for only its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement or of the Trust Certificates (except for its own execution thereof), or for the guaranty by the Company, or for any mistake of fact or law.

The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates with the same rights which it would have if it were not Trustee.

Any moneys at any time held by the Trustee hereunder shall, until paid out or invested by the Trustee as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 7.10. If at any time the Trustee or any successor to it in the trust hereby created shall desire to divest itself of title to the Trust Equipment and to terminate its duties and obligations and rights hereunder and under the Trust Certificates, it shall so notify the Company in writing, and the Company shall thereupon designate in writing to the Trustee a bank or a trust company, qualified as below specified, to serve until a successor is appointed by the holders of the Trust Certificates as hereinafter provided, to which may be assigned the entire right, title and interest of the Trustee or such successor in such Trust Equipment, and in which may be vested the rights, powers, duties and obligations of the Trustee hereunder and under the Trust Certificates. Upon the transfer and delivery of all moneys, any Investment Securities in which any of said moneys may then be invested and all Trust Equipment held by the retiring trustee, and the execution by the retiring trustee of such instruments of transfer as may be reasonably requested by the successor trustee and upon acceptance by the successor trustee of the assignment and of the trust hereunder and under the Trust Certificates, the retiring trustee shall be relieved and discharged of all the title, rights, powers, duties and obligations of such trust, and

the same shall become vested in such successor trustee and every provision hereof applicable to the retiring trustee shall apply to such successor trustee with like effect as if such successor trustee had been originally named herein in the place and stead of the Trustee as trustee for the holders of such Trust Certificates. In the event that the Company shall fail to designate such a successor trustee by instrument in writing delivered to the retiring trustee within 15 days from the time of receiving such notice in writing from the retiring trustee, the retiring trustee may thereupon designate such successor trustee, or apply to any court of competent jurisdiction for the appointment of a successor trustee. The foregoing provisions are, however, subject to the right of the holders of a majority in principal amount of the then outstanding Trust Certificates by an instrument in writing to appoint any successor trustee for the holders of such Trust Certificates, if such appointment is made within one year from the date of giving of such notice to the Company. The Company shall execute all writings recognizing the transfer of title as aforesaid and all instruments of further assurance or otherwise as reasonably may be requested by the successor trustee in the premises, and will do and perform any and all acts necessary to establish and maintain the title and rights of the successor trustee in and to the Trust Equipment. Every successor trustee shall be a bank or trust company doing business in the City of Baltimore, State of Maryland, or in the Borough of Manhattan, City and State of New York, having a capital and surplus aggregating at least \$50,000,000, if there be such bank or trust company willing and able to accept the trust upon reasonable and customary terms and duly qualified to act as such trustee.

SECTION 7.11. Any corporation resulting from any merger or consolidation to which the Trustee or any successor to it shall be a party, or any corporation in any manner succeeding to all or substantially all of the business of the Trustee or any successor trustee, provided such corporation shall be a bank or trust company doing business in the City of Baltimore, State of Maryland, or in the Borough of Manhattan, City and State of New York, and shall have a capital and surplus aggregating at least \$50,000,000, shall be the successor trustee hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 7.12. In determining whether the holders of the requisite principal amount of the Trust Certificates

have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any Affiliate or by any other obligor on the Trust Certificates or any affiliate of such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

## ARTICLE VIII

### Miscellaneous

SECTION 8.1. Any request or other instrument provided by this Agreement to be signed or executed by holders of Trust Certificates may be in any number of concurrent instruments of similar tenor, and may be executed by such holders in person or by an agent or attorney appointed by an instrument in writing. Proof of the execution of any such request or other instrument, or of the holding by any person of Trust Certificates, shall be sufficient for any purpose hereof and shall be conclusive in favor of the Trustee with regard to any action taken by the Trustee under such request or other instrument if made in the following manner, viz.:

(a) The fact and date of the execution by any person of any such request or of any other instrument in writing may be proved by the affidavit of a witness to such execution, or by the certificate of any notary public or of any other officer authorized to take acknowledgements of deeds to be recorded in the state where the acknowledgements may be taken, certifying that the person signing such request or other instrument acknowledged to him the execution thereof. Where such execution is by an officer of a corporation or association or a member of partnership, on behalf of such corporation, association or partnership, such certificate or affidavit shall also constitute sufficient proof of his authority.

(b) The ownership of Trust Certificates shall be determined by the registry books to be kept as provided in Section 7.3 hereof.

SECTION 8.2. Nothing expressed or implied herein is intended or shall be construed to confer upon or to give

to any person, firm or corporation, other than the parties hereto and the holders of the Trust Certificates, any right, remedy or claim under or by reason of this Agreement or of any term, covenant or condition hereof, and all the terms, covenants, conditions, promises and agreements contained herein shall be for the sole and exclusive benefit of the parties hereto and their successors and the equal and pro rata benefit of the holders of the Trust Certificates.

SECTION 8.3. Except as otherwise provided herein, the provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their successors and assigns.

SECTION 8.4. Any provision of this Agreement, may be amended or waived with the written consent of the holders of not less than 66-2/3% of the aggregate unpaid principal amount of the Trust Certificates then outstanding; provided, however, that without the consent of the holders of 100% of the aggregate unpaid principal amount of the Trust Certificates then outstanding, no such amendment or waiver shall (1) reduce the amount of principal, change the principal maturity date or reduce the rate or extend the time of payment of dividends with respect to the Trust Certificates, (2) reduce the amount of or extend the time of payment of any rentals payable under this Agreement or release or provide for the release of any of the Trust Equipment or any other property or cash held by the Trustee in trust for the benefit of the holders of the Trust Certificates, otherwise than as expressly permitted by the present terms of this Agreement, or (3) reduce the percent of the aggregate unpaid principal amount of Trust Certificates then outstanding, the holders of which are required to approve any amendment or to effect any waiver.

SECTION 8.5. All demands, notices and communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered at or mailed to (a) in the case of the Company, 500 Water Street, Jacksonville, Florida 32202, Attention of Finance Department, or at such other address as hereafter may be furnished to the Trustee in writing by the Company, and (b) in the case of the Trustee, P.O. Box 2258 (2 Hopkins Plaza, if by hand), Baltimore, Maryland 21203, or at such other address as hereafter may be furnished to the Company in writing by the Trustee. An affidavit by any person representing or acting on behalf of the Company or the Trustee as to such mailing shall be conclusive evidence of the giving of such demand, notice or communication.

SECTION 8.6. This Agreement has been executed in several counterparts, each of which shall be deemed to be an original, and all such counterparts shall together constitute but one and the same instrument.

SECTION 8.7. The provisions of this Agreement, and all the rights and obligations of the parties hereunder, shall be governed by the laws of the Commonwealth of Virginia.

IN WITNESS WHEREOF, the Trustee and the Company have caused these presents to be signed in their respective corporate names by their respective officers thereunto duly authorized and their corporate seals, duly attested, to be hereunto affixed as of the month, day and year first above written.
